Winter Term: Jan 10 – March 28

BayAreaChess provides professional chess instruction tailored to each student's skill level. Students will learn the rules of the game, basic strategy, tactics, checkmates and positional play. Our unique reward system ensures that each child feels success and progress at their own pace. We promote a team spirit in our classes that is supportive of everyone regardless of skill level with an emphasis on best effort and learning from mistakes in order to improve and make better decisions; skills that they will take with them beyond the chessboard.
