BayAreaChess combines fun and learning while promoting a team spirit where everyone helps each other succeed and improve. Our chess program will cover the very basics for new students to the game and we can challenge experienced players with more advanced concepts. Students will have the opportunity to learn the moves of the pieces, opening strategy, tactics, checkmates, and endgame play. Students will also learn valuable life skills through chess, such as winning and losing with grace, sportsmanship, planning and team spirit. Our mission is to transform and enrich the lives of students through chess.
